SECRET NOFORN

30 September 1959
Control No. 161/59

MEMORANDUM FOR: Department of Commerce DCP Representative
Department of State DCP Representative

FROM: CIA DCP Representative

SUBJECT: Clearance of Report Concerning Soviet Interest in U.S. Gyroscopic Equipment

25X1A2g ATTACHMENT: [redacted] (28 July 1959)

CLEARANCE

1. Permission has been granted to disseminate the attached report to the Department of Commerce for investigation with the U.S. firms mentioned. The report may also be disseminated to DCP for BACKGROUND USE ONLY classified SECRET/NOFORN.

2. It is requested that CIA not be mentioned in the Commerce investigation and that where CIA source descriptions or numbers are known, no mention of these be made in any further
25X1A9a dissemination of this material. Please notify [redacted] Code 163, extension 6488, of any information developed in the conduct of your investigation which may tend to confirm or deny the attached report.

COMMENT

3. While the descriptive information does not indicate coverage of this equipment under IL-1485, it should be possible to check this through the Gyroscope and Sterling firms. In any event, it might be worthwhile to check inquiries received by the firms since May 1959, the date of the information contained in this report. A request for follow-up information from the source has already been made. Any additional information resulting from this request will be transmitted as promptly as possible.
